EDTC 300 Being A Successful Online Student

1.0 unit

Acceptable for credit: D - Credit - Degree Applicable

This course is designed to prepare students for Distance Learning (DL) courses by covering the differences between the traditional classroom and the DL classroom; teaching students how to anticipate, avoid, and/or solve common DL problems and challenges; presenting practical strategies and approaches to successful DL learning; and providing students with hands-on exercises and activities aimed at familiarizing students with all aspects of a college's learning management system (LMS). (Letter Grade or Pass/No Pass)
