## Workforce Resource Center

The Workforce Resource Center offers a variety of Allan Hancock College credit and non-credit classes which are designed to increase job skills. The center houses multiple community agencies that provide assessment of client needs, career and job search information, and links to employment and training opportunities, all at one location.

In addition to training, Allan Hancock College provides services in financial aid, registration and work search assistance. Students who need assistance in determining career goals, résumé development and work search assistance can visit the on-site Career Lab, which is an open access lab staffed by trained professionals. The lab provides access to computers, software, Internet resources, periodicals, videos and equipment for distance learning.

Visit the Workforce Resource Center at 1410 South Broadway in Santa Maria, or call 805-614-1543.
