

Transfer Admission Guarantee (TAG)

Transfer can be a complicated process. Counselors at Allan Hancock College help simplify the process and ensure students a smooth transition to four-year colleges and universities. While some universities offer transfer guarantees, at other colleges it is ultimately the student's responsibility to successfully complete the correct classes and earn a competitive GPA. Students planning to transfer must work closely with a counselor in order to complete the specific guidelines for the Transfer Admission Guarantee (TAG). The following colleges and universities are included:

- Arizona State University
- Northern Arizona University
- University of California, Davis
- University of California, Irvine
- University of California, Merced
- University of California, Riverside
- University of California, Santa Barbara
- University of California, Santa Cruz
- UMass Global
- University of La Verne, VSFB campus

As each participating college or university has specific requirements, students who wish to take advantage of the TAG must work with the University Transfer Center to develop and complete an approved course of study. Hancock has a number of guarantees to Historically Black Colleges and universities. Visit the University Transfer Center for more details.
