96.0 - 90.0 hours

Acceptable for credit: N - Noncredit

Repeatable: 99.00

This multi-level English as a Second Language (ESL) course provides practical applications for parent involvement in children's learning and school environment. Topics include home tutoring techniques, creating a home environment conducive to learning, school content by grade level, and locating and utilizing educational resources through technology and community services. (Noncredit)

BASK 7003A Interdisciplinary Basic Skills: Reading, Writing, and Math

15.0 - 90.0 hours

Acceptable for credit: N - Noncredit

This class allows students to improve upon basic skills in math, reading, and writing. Material is presented through individual, small group, computer-assisted instruction, and tutoring. Accessible software programs include Rosetta Stone, Aztec, and PLATO.

BASK 7004A Supervised Tutoring

0.0 hours

Acceptable for credit: N - Noncredit

This course provides students with class-specific tutorial assistance, study strategies, self-confidence building strategies, and critical thinking skills necessary for success in the classroom. Students seeking a greater understanding of course material benefit from this small-group environment, which is conducive to skill building.

BASK 7005 High School Equivalency Exam Preparation

96.0 - 108.0 hours

Acceptable for credit: N - Noncredit

This course is designed to help students prepare for the High School Equivalency Exam such as the GED or HI SET. Students learn the core knowledge and skills needed to pass each of the High School Equivalency Tests. The content areas covered will be Language Arts--Reading/Writing, Mathematics, Science, and Social Studies. Students will also receive instruction in developing test-taking skills and career and college-readiness skills. (Fall, Spring, Summer) (Noncredit)

BASK 7006A GED Test Prep: Math Reasoning

90.0 - 102.0 hours

Acceptable for credit: N - Noncredit

The course is designed to help students successfully pass the computerized General Educational Development (GED) Mathematical Reasoning Test either in English or Spanish. Students receive instruction in mathematical reasoning skills needed for the test.

BASK 7007A GED Test Prep: Language Arts

90.0 - 102.0 hours

Acceptable for credit: N - Noncredit

This course is designed to prepare students for the Reasoning Through Language Arts portion of the General Educational Development (GED) Test. Students learn reading and writing skills to effectively pass the GED test while developing other skills to help prepare for college and jobs. The class is open entry; however, 8th grade reading level or above is recommended. Students have the opportunity to practice test items for the computerized GED test.

BASK 7008A Success in College Lab

45.0 - 51.0 hours

Acceptable for credit: N - Noncredit

This open-entry, open-exit study lab provides high-risk students with general study skills applicable to specific courses. Students receive tutorial assistance, learn study strategies, and receive assistance to support credit class academic success. Although this lab is designed primarily for the student athlete, anyone 18 or over can attend.

BASK 7009A GED Test Prep: Social Studies

90.0 hours

Acceptable for credit: N - Noncredit

Learn to read, comprehend, and analyze social studies related text in preparation for the social studies section of the GED test. Topics covered include civics and government, U.S. history, economics, and world geography. Students acquire problem-solving skills in social studies-related contexts while developing core reading skills and a variety of test-taking strategies. (Noncredit)

BASK 7011A Basic Math

0.0 hours

Acceptable for credit: N - Noncredit

This open-entry basic math course is designed to help students increase their math skills so they may enroll in credit math classes or complete the math section for the GED Test. Topics covered include multiplication tables, division, subtraction, number operations and number sense, measurement, basic geometry, and sequence.

BASK 7012 Basic Reading and Writing

96.0 - 108.0 hours

Acceptable for credit: N - Noncredit

Learn basic reading, writing, and grammar skills; build vocabulary; improve spelling; and increase reading comprehension in this course designed for students who read and write at grade levels below 8th grade. Students learn the reading and writing skills needed to enroll in High School Equivalency Exam Preparation courses: Language Arts, Science, Social Science, and Math. (Noncredit)

BASK 7013 High School Equivalency Exam Prep: Computer Skills

32.0 - 36.0 hours
