

AGRIBUSINESS: Wine Business

Award Type: Associate in Science

Designed for students preparing for or advancing in careers involving selling wine to wholesalers, retailers, brokers, restaurants, and the public. Those seeking to enter or upgrade careers in the wine industry in marketing, public relations, and promotion will find this program suited to their needs.

The graduate of the Associate in Science in AGRIBUSINESS: Wine Business will:

- Identify and suggest business strategies in the wine and grape industry considering financial management principles of vineyard and winery operations and strategic planning.
- Analyze promotion, selling, marketing and distribution possibilities.
- Evaluate benchmarking and brand name recognition alternatives.
- Analyze consumer and market conditions.
- Consider accounting, logistics, compliance, legal, labor and tax issues in the wine industry.
