Early Childhood Studies: Program Director/Administration Emphasis

Award Type: Associate in Science

Completion of the ECS: Program Director/Administration Emphasis associate in science program would qualify students for a Site Supervisor-level permit issued by the California Commission on Teacher Credentialing. This prepares the student to work in Title 5, Title XXII, and federally-funded programs serving children in state licensed early care and education settings.

The graduate of the Associate in Science in Early Childhood Studies: Program Director/Administration Emphasis will:

- Understand and apply child development theories and principles.
- Identify and implement observation, documentation and other assessment strategies.
- Value and cultivate collaborative family and community relationships.
- Identify, develop and implement developmentally appropriate curriculum and teaching practices to positively guide children's behavior and learning.
- Develop self-reflective habits and grow as members of the early childhood profession to understand the complexities of working with diverse groups of families, children, staff and the community.
- Develop an environment that honors the diversity of the learning community - through empowerment, equity, respect and dignity.
