

Sociology

Award Type: Associate in Arts for Transfer

The Sociology Program provides quality general education opportunities, which enhance student learning by developing critical thinking skills and by increasing student awareness and understanding of our world's rich and diverse cultures and human social organization. Sociology is the study of human social behavior, groups, culture and how environments and relationships influence behavior. Sociologists are concerned with social phenomena, such as social stratification, deviant behavior, effects of mass media, urban organization, educational systems, and how societies develop and change. The Associate in Arts in Sociology for Transfer degree is designed to prepare the student for transfer to four-year institutions of higher education and specifically intended to satisfy the lower division requirements for the Baccalaureate Degree in Sociology at a California State University. Associate Degree for Transfer Requirements Completion of 60 semester units that are eligible for transfer to the California State University, including the following: A. The completion of the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE). [The following Allan Hancock College graduation requirements will not be required: Health and Wellness, Multicultural Gender Studies and Allan Hancock College General Education.] B. A minimum of 18 semester units in a major or area of emphasis, as determined by the community College district. C. Obtainment of a minimum grade point average of 2.0 with all courses in the major being completed with a grade of "C" or better.

The graduate of the Associate in Arts for Transfer in Sociology will:

- Develop an awareness of the diversity of cultures around the world.
- Understand social phenomena from a sociological perspective.
- Demonstrate a proficiency in sociological concepts and terminology.
- Develop skills in using digital technologies to inquire and communicate sociological data, concepts and theories.
