

Extended Opportunity Programs and Services (EOPS)

Allan Hancock College Board Policy 5150

Extended Opportunity Programs and Services (EOPS) is a state-funded program which offers “over and above” support services and financial assistance to educationally and economically disadvantaged students to help them succeed in college. Students receive assistance with academic counseling, peer advising, tutoring and help navigating the financial aid process. An eligible student may receive a cash grant, or a book voucher, food card, priority registration and graduation regalia. EOPS students are invited to attend workshops and annual social and cultural activities.

To be eligible for EOPS, a student must meet EOPS income and educational criteria as determined by Title 5 guidelines.

Applications may be obtained from the EOPS website at www.hancockcollege.edu/eops. Bilingual services are provided upon request.

The EOPS office is located in bldg. A-201 on the Santa Maria campus and bldg. 1, room 103 at the Lompoc Valley Center.
