Admission from Community Colleges

Students who were eligible for admission to the California State University based upon their high school grade point average and SAT or ACT scores may be eligible to transfer with less than 60 college semester units (lower division transfer). However, the student must have maintained at least a C average in all college work and must be in good academic standing. Most campuses of the CSU system will not accept lower division transfer students. Check with a counselor to determine available options.

Students who were not eligible for admission from high school must complete 60 transferable college semester units with a 2.0 average. Students, who meet these minimum standards, while eligible for admission to a CSU campus, may not be accepted into a specific major or department. In the case of impacted majors and/or campuses, other selection criteria are also used.

Allan Hancock College courses that are numbered from 100 to 199 are accepted by the California State University system as transferable and students may transfer up to 70 community college semester units. In the Announcement of Courses section of this catalog, courses that are transferable to the California State University system are identified. Units that a student completed at a four-year college will be evaluated separately by the CSU campus.

California State University General Education Certification Breadth Requirements

Since 1981, the California State University (CSU) has required that a minimum of 48 semester units of general education courses be completed before a baccalaureate would be awarded. Up to 39 of these units may be certified by a community college.

In order to facilitate the transfer of Allan Hancock College students who plan to attend a campus of the California State University system, our certification of general education breadth requirements may include previously completed courses from other institutions as well as courses completed in residence.

Courses completed at other campuses of the CSU or at California community colleges must be certified in accordance with the pattern of the source institution. It is the student's responsibility to provide: a) an official copy of his or her external transcript(s); and b) a dated general education certification pattern from the source institution which coincides with the term or terms in which such courses were completed.

Courses that have been completed at a regionally accredited institution other than a California community college or CSU will be included only under the following circumstances:

1. The student provides an official transcript, catalog description(s) and, if required, dated course outline(s);
2. The course is determined to be equivalent to a course in Allan Hancock College's CSU general education pattern through the pass-along process.

Unit and subject matter credit for Advanced Placement (AP), International Baccalaureate (IB), and CLEP exams will be included in the California State University certification of general education requirements in accordance with the CSU Chancellor's Office policy. Students wishing to use units awarded for AP, IB, and CLEP should check with the Counseling department or the University Transfer Center.

Generally, the evaluation and certification of general education requirements is done only once. In those cases where, for some reason, a revision is needed, the student may be required to pay a fee of \$10 for the service.

A Maximum of 39 Units in General Education May be Certified by Allan Hancock College

A minimum of nine additional units in upper-division courses must be completed after transfer. A application for general education certification is available at the Counseling department or the University Transfer Center or online.

CSU GE NOTE: No course may be counted in more than one area. CSU GE transfer applicants must complete a minimum of 30 semester units including Area A and B4 on this pattern with a grade of C or better in each course.

Since there are a total of 39 units of CSU lower-division GE required for certification, the remaining 9 units may be taken for a passing grade (D- or better).). Since there are a total of 39 units of CSU lower-division GE required for certification, the remaining 9 units may be taken for a passing grade (D- or better).

NOTE: U.S. History and American Institutions Requirement

The California State University system will not award a degree until a student fulfills the U.S. History and American institutions requirement. Any of the course combinations listed below will satisfy this requirement:

1. HIST 107 and either POLS 101 or 103
2. HIST 108 and either POLS 101 or 103
3. HIST 118 and either POLS 101 or 103

NOTE: Some CSUs will not allow the units earned by fulfilling this requirement to be used in Area D; other CSUs will count the units in both areas. Check the CSU college catalog for a specific campus or with the University Transfer Center. Political science courses used to meet this requirement must have been completed in a California institution.
